Applicants will be notified by the Wounds Australia Grants & Scholarships Committee within 60 days of the closing date as to whether they have been successful in obtaining a Grant or Scholarship.

PURPOSE OF PROGRAM

To support the members of Wounds Australia to access and participate in professional development that will further the Philosophy of Wounds Australia.

PHILOSOPHY

Wounds Australia believes that all people with, or who are likely to develop, a wound are entitled to receive personalised care and management that is supported by current best practice.

CRITERIA AND CONSIDERATIONS

Applications for funding may be as small as needed or as large as needed within the financial limitations of the program.

The Wounds Australia Grants and Scholarship committee may award funds to worthy applications up to the amounts allocated, but have no obligation to acquit the full amount in the absence of worthy applications.

The Grants and Scholarship Committee will review applications against the following criteria and considerations:

1. Applicability of the request to the Philosophy of Wounds Australia.
2. Equity for membership, including geographical location, previous support, external support and contribution to Wounds Australia.
3. Where members are requesting an amount great than AUS\$1,000 they will have been a financial member of Wounds Australia (previously AWMA) for at least three consecutive years.
4. Quality of application and clarity of the benefit to the member, the Wounds Australia community and people with wounds.
5. Applications can include costs such as conference or short course registration fees, travel costs associated with attending a conference, short course or Watching Others Work (WOW) program and accommodation expenses associated with the period of the conference, short course or WOW program.
6. Grants and Scholarships will not be provided to support the cost of study programs that contribute to the attainment of an undergraduate or post graduate program, except where the Grant or Scholarship will support the undertaking of research.
7. Scholarships will only be awarded prospectively. Funds will not be awarded to a program that has already been commenced or completed. When considering a program the member should consider the application closing dates and the time frame to notify applicants. Scholarships are generally awarded for programs that will commence within 12 months of being awarded. Grants for research may be awarded to a project that has already commenced but is not completed.

8. All applications must include a breakdown of costs. These must be reasonable costs. Travel costs must be consistent with Wounds Australia's travel policy (available upon request). Members who are successful in obtaining a Grant or Scholarship are expected to retain receipts and to submit these to substantiate their claim.

9. Grant and scholarship costs will not be provided for meals and entertainment.

Example: A conference registration fee may be supported however, the cost of the conference ball will not be.

10. Where a member is awarded a Grant or Scholarship and they are not able to participate in the program applied for then the amount awarded must be reimbursed to Wounds Australia; in exceptional circumstances this may be negotiated with the Grants and Scholarship Committee (e.g. if the member identifies a suitable alternative program).

11. Wounds Australia retains the right to publish grant and scholarship recipients on its website, newsletters, and in other forums.

12. Wounds Australia retains the right to withdraw its funding prior to and within 30 days after the educational event if it is found that the educational event in any way contravenes the grant criteria and request full return of all funds.

13. The provision of the agreed funds for the activity outlined in the submission to Wounds Australia, in no way makes Wounds Australia legally liable for any financial or legal responsibilities incurred by the fund recipient.
